

Never Gonna Be the Same Again

Bob Dylan

Now you're beside me, baby
You're a living dream
And every time you get this close
It makes me want to scream
You touched me and you knew
That I was warm for you and then
I ain't never gonna be the same again.Sorry if I hurt you, baby
Sorry if I did
Sorry if I touched the place
Where your secrets are hid
But you meant more than everything
And I could not pretend
I ain't never gonna be the same again.You give me something to think about, baby
Every time I see ya
Don't worry, baby, I don't mind leaving
I'd just like it to be my idea.You taught me how to love you, baby
You taught me, oh, so well
Now, I can't go back to what was, baby
I can't unring the bell
You took my reality
And cast it to the wind
And I ain't never gonna be the same again.
