Baby Please

Priscilla Renea

I took the sun, Brought it down to the earth
I took the air, and bottled it up
I gave you the world, gave you my all
I thought you deserved summer, spring, and fall
Guess it was too much, and I pushed you away
And all that I wanted, was for you to stay
I apologized for all my mistakes
But yet you still left me, that cold winter dayBridge:
I can't believe I'm lying here
With nothing but the withered rose petals on the floor
And torn up pictures of me lying in your arms
A broken heart
Now I'm so miserableChorus:
Baby please, would you say what made you leave
Would you tell me so I'll know
And I won't do it anymore
(What's on your mind, tell me...)
Please believe, I'll do all you ask of me
If you tell me, would you tell me
Would you say what made you leave
I'm beggin you pleaseVerse 2:
I don't mean, to sound like I need you
But you have become much a part of me
My heart doesn't beat
Got no words to speak
Whenever you're not here, whenever you leave
Can't explain the feeling, but it's so much like
Walking through the darkness, with nothing for light
I'm prayin you'll see, what I really need
I'm praying you'll come back, you'll come back to meBridge:
You just left me lying here,
With nothing but the withered rose petals on the floor
And torn of pictures of me lying in your arms
A broken heart
Now I'm so miserableChorus:
Baby please, would you say what made you leave
Would you tell me so I'll know
And I won't do it anymore
(I wont' do it anymore)

Please believe, I'll do all you ask of me
If you tell me, would you tell me
Would you say what made you leave
I'm beggin you pleaseHook:
I'm tryin my hardest to, be the, best that I can for you
You got, so much more love in you, I know it
If I can just get you to show it
Maybe we'd start over again
You'd see the other side, of me
You'd see a better side, of me
I swallowed all my pride, I'm beggin
And I know that you know it
I can't take no more so babyPlease, would you say what made you leave
(Would you say what made you leave)
Would you tell me so I'll know (oh)
And I won't do it anymore (and I won't, and I won't do it)
Please believe, I'll do all you ask of me (I'll do all you ask of me)
If you tell me (would you tell me)
Would you say what made you leave
I'm beggin you please
Baby please (Oh ooohhh)
Would you say what made you leave
Would you tell me so I'll know
And I won't do it anymore
Please believe, I'll do all you ask of me (yeeaahhh yeah)
If you tell me, would you tell me
Would you say what made you leave
I'm beggin you please (pleaase)
Oh oh ohhhh
Tell me so I'll know
Ohhhhh
I'm begging you please, yeah, yeah
