

Running on a Beach

Sportsman

No shadow
Sun just above
I raise up
Straight into the light
Oh, coconut
Palm trees in a perfect lay
I breathe out
After all this time I'm running on a beach
I can feel my heartbeat
I can feel my heartbeat
Sand on my bare feet
I'm running on a beach
I can feel my heartbeat
I can feel my heartbeat
Sand on my bare feet
I'm running on a beach
Five thirty
Fever running high
I smell weed
I pray sometimes
In the shadows
So blind and white
Do it [?]
I fall to the ground I'm running on a beach
I can feel my heartbeat
I can see the palm trees
Sand on my bare feet
I'm running on a beach
I can feel my heartbeat
I can feel my heartbeat
Sand on my bare feet
I'm running on a beach
I can feel my heartbeat
I can feel my heartbeat
I can feel my heartbeat
I can feel my heartbeat
I'm running on a beach
I can feel my heartbeat
I can see the palm trees

Sand on my bare feet
I'm running on a beach
I can feel my heartbeat
I can feel my heartbeat
Sand on my bare feet
I'm running on a beach
I can feel my heartbeat
I can see the palm trees
Sand on my bare feet
I'm running on a beach
I can feel my heartbeat
I can feel my heartbeat
Sand on my bare feet
