

Merry Christmas, Alabama

Jimmy Buffett

(jimmy buffett & matt betton)

Merry christmas, alabama

Merry christmas, tennessee

Merry christmas, louisiana

To st. barths and the florida keys Merry christmas, mississippi

Where I started this wild and crazy run

Such a long way from that first birthday

Merry christmas, everyone And merry christmas, colorado

Though far from you all I have roamed

'tis the season to remember

All the faces,

And the places that were home 'tis the season to remember

And to count up all the ports of call I've known

And to thank his mercies tender

For I'm never far from home (instrumental) Merry christmas to my saints and guardian angels

Who protect me as I roam

'tis the season to remember

All the faces

And the places that were home Guess my life's moved at near light speed

Since I started this wild and crazy run

Such a long way from that first birthday

Merry christmas, everyone 'tis the season to remember

No we're never far from home

Merry christmas, everyone.
