Jugulator

Judas Priest

Now let's see what you're made of
He is coming, you can't run
Violators that get caught
Will wish that they'd never been born
Exterminator
You are dead
Mutilate
Sharpened razor
Takes your head
Jugulator
Predit hater
You are trapped
Decimate
Desecrator
Your neck snapped
Jugulator
Jugulator he is near
Attracted by the stench of fear
Part demonic part machine
Hungry and it's time to feed
Iron claws and fangs of steel
Dripping from his tasty meal
Now it's time to jugulate
Feel your skull disintegrate
Jugulator killing time now
Reaches in and rips your spine out
Violator
Big mistake
Mutilate
Vindicator
Rib cage break
Flesh and bones
Are massacred
Jugulator
Desecrator
Jugulator
