

# Wake Up and Make Love with Me

## Ian Dury & The Blockheads

I come awake  
With a gift for womankind  
You're still asleep  
But the gift don't seem to mind  
Rise on this occasion  
Halfway up your back  
Sliding down your body  
Touching your behind You look so self-possessed  
I won't disturb your rest  
It's lovely when you're sleeping  
But wide awake is best  
Wake up and make love with me  
Wake up and make love  
Wake up and make love with me  
I don't want to make you  
I'll let the fancy take you  
And you'll wake up and make love You come awake  
In a horny morning mood  
And have a proper wriggle  
In the naughty naked nude  
Roll against my body  
Get me where you want me  
What happens next is private  
It's also very rude I'll go and get the post  
And make some tea and toast  
You have another sleep, love  
It's me that needs it most  
Wake up and make love with me  
Wake up and make love  
Wake up and make love with me  
I don't want to make you  
I'll let the fancy take you  
And you'll wake up and make love Wake up and make love with me  
Wake up and make love  
Wake up and make love with me  
Wake up and make love  
Wake up  
Wake up  
Wake up
