

# Size Queen

## Kyuss

So clean, so blue and it's so deep  
Shallow  
Refreshing bowl and it's so clear  
ShallowBest thing I've seen in my whole life  
Shallow  
You must return me to your beach  
ShallowSo I dive  
Inches to the ground  
Now all right  
Inches to the groundSo clean, so blue and it's so deep  
Shallow  
Refreshing bowl and it's so clear  
ShallowBest thing I've seen in my whole life  
Shallow  
You must return me to your beach  
ShallowSo I dive  
Inches to the ground  
Now all right  
Inches to the groundSo I dive  
Inches to the ground
