

# With You All The Time

## Gareth Gates

I live beneath the heart  
I watch you from the dark  
I'm every breath  
I'm every dream  
I've known you forever  
I've followed you everywhere  
I'm every scar  
I'm who you are When you think you're alone  
When you cry cause the world's unfair  
You can rest assured  
I'm always there Even when you feel like you don't belong  
Even when you fall and it all goes wrong  
Know that I'm with you, with you all the time  
Say a little prayer for the restless heart  
We shall never, ever drift apart  
Know that I'm with you, know that I'm with you  
With you all the time I walk your every road  
I'm laughing when you smile  
And when you cry  
I cry too  
I made you a promise  
That I shall forever keep  
You're on your own  
But not alone When you're down, when you're out  
When the world tells you no-one cares  
You can rest assured  
I'm always there Even when you feel like you don't belong  
Even when you fall and it all goes wrong  
Know that I'm with you, with you all the time  
Say a little prayer for the restless heart  
We shall never, ever drift apart  
Know that I'm with you, know that I'm with you  
With you all the time
