Summer In the Country

Home Free

Cutoff jeans, tank top shirt,
Swimmin' in the creek, diggin' in the dirt,
Buzzin' all day, lookin' for a taste of honey.
Berries on the tree, 'maters on the vine,
Shuckin' that corn, makin' that 'shine.
Tell ya' right now, there's no better place, no better time,
Than summer in the country.Sippin' sweet tea, soakin' up the breeze,
The birds and bees, and the creaking' of an old screen door (---screen door),
Talkin' 'bout the good life.
The bullfrogs singin', fireflies blinkin', me and my girl, swingin' out on the porch,
Remindin' each other just what we're livin' for,
Summer in the country.
Knowin' where to go when the sun goes down,
Baitin' the line, waitin' it out,
Shootin' the bull an' a beer with a few good buddies.
Well, there ain't no school, an' there ain't no rush.
The nights are short, but they're made for love.
Never forget that first kiss with my first crush,
That's summer in the country.Sippin' sweet tea, soakin' up the breeze,
The birds and bees, and the creakin' of an old screen door (---screen door),
Talkin' 'bout the good life.
The bullfrogs singin', fireflies blinkin', me and my girl, swingin' out on the porch,
Remindin' each other just what we're livin' for.
Summer in the country.Too many bugs and not enough rain (---Not enough rain),
Some people can't take the heat (---Can't take the heat),
But I gotta say, I just can't wait (---I just can't wait),
For the sun on my back, the mud on my feet,
Nah, you just can't beat---
Summer in the country.
Sippin' sweet tea, soakin' up the breeze,
The birds and bees, and the creakin' of an old screen door.
Talkin' 'bout the good life,
The bullfrogs singin', fireflies blinkin', me an' my girl, swingin' out on the porch.
Remindin' each other just what we're livin' for.
Summer in the country.Yeah, summer in the country. Summer in the country, baby.
Yeah, that's summer in the country.
Summer in the country. Summer in the country, baby.
Summer in the country.
Yeah, that's summer in the country.
