

# You Always Answer Me

## Sisters

Many times she called out to You  
Son of David, hear my plea  
Unworthy of the children's bread  
You still met her need  
And like her, I'm unworthy but I've heard you call me child  
So by faith I will wait on You, and know that all the while

You always answer me, right in my hour of need  
Not always how I think You should,  
But always for my good  
You always answer me

It seemed the heavens were unopened  
When I called upon Your name  
Even so, come quickly Lord  
In earnest hope, I pray  
But my lowly expectations, for Your plans they were no match  
Though broken when you finally came  
You gave more than I asked

You always answer me, right in my hour of need  
Not always how I think You should,  
But always for my good  
You always answer me

And how I know You will is that You've always been true  
To Your word, You've always heard and led this willing one  
So be it unto me, according to Thy word  
According to Thy way, Thy will be done

You always answer me, right in my hour of need  
Not always how I think You should,  
But always for my good  
You always answer me

Not always how I think You should  
Not always what I want, but right when I need it  
You're an on time God, and I'm thankful for it  
You always answer me (3x)
