Leaving

El Caco

Save me another day
Is what I heard you say
Today I feel alright
Although nothingâ€™s right
It may be just a lie
But at least I try
I try

Iâ€™m leaving
Iâ€™m not complaining
Fading
Still not complaining

War against creeping death
Carefree in a mess
Donâ€™t be sorry for me
Itâ€™s no relief
So thatâ€™s it for me
Fuck the world Iâ€™m free

Iâ€™m leaving
Iâ€™m not complaining
Fading
Still not complaining

I know whatâ€™s going on
Still feel kinda strong
Trying to create
Oh, itâ€™s getting late

Leaving
Iâ€™m not complaining
Fading
Still not complaining
