Primordial Sound (Rediscovered)

The Contortionist

Your primordial sound, echoing out
Existence grows from itself, echoing outWhat you seek, the obsolete
The answers are of no use to you now
Echoing outAll within, is all we know
All you know versus all you don'tYour primordial sound, echoing out
Existence grows from itself, echoing outAll that you know versus all that you don'tYou don't know
You don'tYeahAll within, is all we know
All you know versus all you don't
