

Thunder In My Heart Again (Radio Edit)

[Rihanna](#)

Standing here alone with you
Wondering what it is that I'm supposed to do
And there you are with the love light in your eye
The bridges are burnt down
Your arms are open wide
Am i in too deep or should i swim to the shore
Is this the real thing?
I don't know but I've never been here before

And i feel a thunder in my heart that i can't control
I feel a thunder in my heart
Should i walk away or follow my soul?
I feel a thunder in my heart
Where it comes from i just don't know
Oh no, oh no

There's a storm ragin' deep in my soul
There's a howlin' wind that i just can't control
There's a fire inside me i can't explain
Every time you touch me my love falls like rain
I've only known you for an hour or more
The time is standin' still
Your love has opened up the door

I feel a thunder in my heart
It takes my breath away
I feel a thunder in my heart
Will i ever be the same?
I feel a thunder in my heart
It's telling me you're here to stay
Oh no, oh no

There's a thunder in my heart
There's a thunder in my heart
There's a thunder in my heart
There's a thunder in my heart

Take me baby I'm all yours
Do just what you want to do with my love
Let's not let the night overtake us

'Cause what's happening right now may make or break us
Do you feel the way i do?
Open up your heart now baby
I'm comin' through

I feel a thunder in my heart
Takin' my breath away
I feel a thunder in my heart
Since i met you I'll never be the same
I feel a thunder in my heart
I know you're here to stay

I feel a thunder in my heart
Takin' my breath away
I feel a thunder in my heart
Since i met you I'll never be the same
I feel a thunder in my heart
I know you're here to stay
