Ha Ha

Emiliana Torrini

Anger steaming up your glasses
You've been holding parties all your life
'Cause it's long gone down
You're still hanging around
It's not over till it starts againHa, ha, ha, hear me laughing, ha, ha, ha
Ha, ha, ha, ha, it died out long agoDid you hear me laughing in your head
When I saw you stuck in a rut again?
Oh, that drink went down smoothly
Just like the one before the last you hadQuestions I have answered
You are still asking yourself again
Passed out in the gutter, worn out in your head
Your voices aren't clear enough after allHa, ha, ha, hear me laughing, ha, ha, ha, ha
Ha, ha, ha, ha, it died out long agoAnger steaming up your glasses
You've been holding parties all your life
'Cause it's long gone down
You're still hanging around
It's not over till you start againHa, ha, ha, hear me laughing, ha, ha, ha
Ha, ha, ha, ha, you died out long ago
