## Maximilian Hecker

My life is flowing anyway  
My dreams are flowing anyway  
And all the things that I have said  
And all the fears inside my head

My girl, don't leave  
I've got the sun in me

And you will love me anyway  
And you will leave me anyway  
Those cut down pieces on my way  
Those dark blue skies turned into grey

My girl, don't leave  
I've got the sun in me

My life is ending anyway  
Now that I'm dreaming of the day  
When I felt you, your being sad  
You could not leave my dirty head

My girl, don't leave  
I've got the sun in me
