

Parachute

Cheryl Cole

I don't tell anyone about the way you hold my hand.

Don't tell anyone about the things that we have had.

Won't tell anybody.

Won't tell anybody.

If they wanna push me down .

They wanna see you fall.

Now won't tell anybody about how you turn my world around.

Won't tell anyone how you voice is my favourite sound.

Won't tell anybody.

Won't tell anybody.

If they wanna see us fall.

They wanna see us fall now.

I don't need no parachute.

Baby if I've got you.

Baby if I've got you.

I don't need no parachute.

Your gonna catch me.

Your gonna catch .

If I fall down down down.

I don't need no parachute.

Baby if I've got you.

Baby if I've got you.

I don't need no parachute.

Your gonna catch me.

Your gonna catch.

If i fall down, down, down.

Don't believe the things you tell your self so late at night.

You are your own worst ennemy.

You'l never win the fight.

Just hold on to me.

I'll hold onto you.

Its you and me up against the world .

Just you and me-no.

I don't need no parachute.

Baby if I've got you.

Baby if I've got you.

I don't need no parachute.
Your gonna catch me.
Your gonna catch.
If I fall down, down, down.
I don't need no parachute.
Baby if I've got you.
Baby if I've got you.
I don't need no parachute.
Your gonna catch me.
Your gonna catch.
If I fall down, down, down.

I won't fall out of love.
I won't fall out of.
I won't fall out of love.
I won't fall out of.
I won't fall out of love.
I won't fall out of.
I won't fall out of love.
I'll fall into you.

I won't fall out of love.
I won't fall out of.
I won't fall out of love.
I won't fall out of.
I won't fall out of love.
I won't fall out of.
I won't fall out of love.
I'll fall into you.

I don't need no parachute.
Baby if i've got you.
Baby if i've got you.
I don't need no parachute.
Your gonna catch me.
Your gonna catch.
If I fall down, down, down.
I don't need no parachute.
Baby if i've got you.
Baby if i've got you.
I don't need no parachute.
Your gonna catch me.
Your gonna catch.
If I fall down, down, down.
