Summit (feat. Ellie Goulding)

Skrillex

A silent heart ticking under the ground.
Taking the weight from which has yet to be found.
If you can hear me now why don't you recall.
I was the one who loved you after all.A silent heart ticking under the ground.
Taking the weight from which has yet to be found.
If you can hear me now why don't you recall.
I was the who loved you after all.A silent heart ticking under the ground.
Taking the weight of which has yet to be found.
If you can hear me now why don't you recall.
I was the one who cared after all.A silent heart ticking under the ground.
Taking the weight from which has yet to be found.
If you can hear me now why don't you recall.
I was the who loved you after all.
