Flash In the Pan

Steve Lukather

He wait for
I got this shit is so hot
We . or not
Oh no
Its all about the making sure youre popping the grill
Just need to set . the end
It doesnt matter if its .
Its only here steal your crib
Chorus
Maybe in hell its happy.
Show your hunger as hell
Youre just a flash in the pan
Dont have a deal . to push
You got a . wheel . oh yeah
Just hoping that your 15 minutes
Will turn away your career
If you dont have 15 seconds
It doesnt matter if its .
Its only when is here
