

# Flash In the Pan

Steve Lukather

He wait for  
I got this shit is so hot  
We . or not  
Oh no  
Its all about the making sure youre popping the grill  
Just need to set . the end  
It doesnt matter if its .  
Its only here steal your crib  
Chorus  
Maybe in hell its happy.  
Show your hunger as hell  
Youre just a flash in the pan  
Dont have a deal . to push  
You got a . wheel . oh yeah  
Just hoping that your 15 minutes  
Will turn away your career  
If you dont have 15 seconds  
It doesnt matter if its .  
Its only when is here  
.queen
