

# Right Down the Line

Bonnie Raitt

You know I need your love  
You've got that hold over me  
Long as I've got your love  
You know that I'll never leave  
When I wanted you to share my life  
I had no doubt in my mind  
And it's been oh baby  
Right down the line I know how much I lean on you  
Only you can see  
The changes that I've been through  
Have left a mark on me  
You've been as constant as a Northern Star  
The brightest light that shines  
It's been you oh baby right down the line I just wanna say this is my way  
Of tellin' you everything  
I could never say before  
Yeah this is my way of tellin' you  
That every day I'm lovin' you so much more  
'Cause you believed in me through my darkest night  
Put somethin' inside of me  
You brought me into the light  
Threw away all those crazy dreams  
I put them all behind  
And it was you oh baby  
Right down the line I just wanna say this is my way of tellin' you everything  
I could never say before  
Yeah this is my way of tellin' you  
That every day I'm lovin' you so much more If I should doubt myself, if I'm losing ground  
I won't turn to someone else  
They'd only let me down  
When I wanted you to share my life  
I had no doubt in my mind  
And it's been you oh baby  
Right down the line
