

# Palisades Park

## Shelley Fabares

Last night I took a walk in the dark  
To a place called Palisades Park  
To have some fun, to see what I could see  
That's where the girls are  
I took a ride on the shoopty shoop  
The girl I sat with almost, almost puked  
And when it stopped  
She was holding hands with me  
My arms were flying up like a rocket ship  
Down like a roller coaster  
Fast like a loopty loop  
Then around like a merry-go-round  
We even ate at a hot dog stand  
Slam danced to a rockin' band  
And when she winked, I gave that girl a hug  
In the tunnel of love  
You'll never know how good it just can feel  
'Til it stops at the top of the Ferris Wheel  
I fell in love, down at Palisades Park  
Last night I took a walk in the dark  
To a place called Palisades Park  
To have some fun, to see what I could see  
That's where the girls are

I took a ride on the shoopty shoop  
The girl I sat with almost, almost puked  
And when it stopped  
She was holding hands with me  
My arms were flying up like a rocket ship  
Down like a roller coaster  
Fast like a loopty loop  
Then around like a merry-go-round  
We even ate at a hot dog stand  
We danced around to a rockin' band  
And when she winked, I gave that girl a hug  
In the tunnel of love  
You'll never know how good it just can feel  
'Til it stops at the top of the Ferris wheel  
Oh, I fell in love, down at Palisades Park

Yeah, yeah, yeah  
Down at Palisades Park  
Yeah, yeah, yeah  
When at Palisades Park  
Down at Palisades Park  
Palisades Park  
I'm at the Palisades Park  
Palisades Park
