Cheap Extensions

Sonny & The Sunsets

Tina, I saw you at the grocery store Buying something for your hair....
I'm not going anywhere, let me follow your hair
Not going anywhere, I love your hair, I'll follow you anywhere
I'm not going anywhere, let me follow your hair, I love the strange things that you do to Your hair, I'll follow you anywhere...
Brown and blond, and long and straight, loop and bend and made to blend Oh I love your cheap extensions
Tina, I am poor and you're a church, please feed me Let's get drunk in the basement...
Just give me one more day that's a nice extension...
Brown and blonde and long and straight, loop and bend and made to blend, I love your cheap extensions...
