Out There

John DahlbÃ¤ck

I don't know where to go,
How to find you,
You could be anywhere,

Something you gotta know,
To remind you,
I still believe,

You must be out there somewhere, somewhere, somewhere,
Somewhere, somewhere

[Repeat: x23]
I need you in my life

I dont know where to go,
How to find you,
You could be anywhere,

Something you gotta know,
To remind you,
I still believe,

You must be out there somewhere,
Somewhere, somewhere,
I don't know where to go,
How to find you,

You could be anywhere,
Something you gotta know,
To remind you,

I still believe,
You must be out there somewhere,
Somewhere, somewhere

[Repeat: x30]
I need you in my life
