

Tall Girls, Short Girls...You

The Naked Brothers Band

There are blonde girls
Tall girls
Short girls
Small girls
There is every type of girl in the world
And then there's you
And then there's you
There are good girls
Bad girls
Glad girls
Mad girls
There is every type of girl in the world.
And then there's you
And then there's you
You are the love that I crave
And the truth is that I was
Saved by you
I need you all to myself
And you will belong to no one else but me
There are rich girls
Poor girls
Bored girls
Ignored girls
There is every type of girl in the world.
And then there's you
And then there's you
[repeat]
