Dose of Thunder

The Replacements

Goin' down t' the pool hall
Lookin' for the eight ball
When it comes, when it comes
Only want a little, you need a ton
Gimme one good dose of thunder
Gimme one good dose of thunder

Gimme gimme in a hurry
Texas added to Missouri
When it comes, when it comes
Only takes a little 'til you want a ton
One good dose of thunder
Gimme one good dose of thunder
I can feel it start to rumble

(mumble)
(mumble)
When it comes, when it comes
It only takes a little 'til you need a ton
Gimme one good dose of thunder
Gimme one good dose of thunder
And I can feel it
Gimme one good dose of thunder
Gimme one good dose of thunder
I can feel it start to rumble
