Dont be afraid, just believe just believe

Watch him make a way, just believe just believe Dry your eyes, its not over its not over

Keep your head to the sky, its not over its not over If you speak new life, it will come to pass, it will come to pass

Just speak over your life it will come to pass, it will come to pass You have the powr and the authority to change

your situation(6x) Speak life, Speak life, Speak life

Change your situation (3x then end)
