

Blood

Dropkick Murphys

Trouble underground in Kenmore Square
You'd better watch out, you'd better beware
It's time to go, goodbye good luck
They said people like you screw everything up If you want blood, we'll give you some
(Blood, blood)
Straight from the heart till the job is done
If you want it now, then here it comes
(Blood, blood)
If you want blood, we'll give you some They beat us down, but we survived
Talked out of school and made up lies
But we don't listen, we do what we do
We don't care about them, we care about you If you want blood, we'll give you some
(Blood, blood)
Straight from the heart till the job is done
If you want it now, then here it comes
(Blood, blood)
If you want blood, we'll give you some We're coming for you
We'll kick down the door
Be careful what you ask for
'Cause you may get more
Gonna keep it loud
We don't turn down
We're coming back
We're taking over this town If you want blood, we'll give you some
(Blood, blood)
Straight from the heart till the job is done
If you want it now, then here it comes
(Blood, blood)
If you want blood, we'll give you some (Blood, blood)
(Blood, blood)
(Blood, blood)
