Human Crossing (Remastered)

Project Pitchfork

Long Halls - White Rooms,
A Cage, a Name,
rat 41 - Distress,
the rest is Imagination,
Where have I been,
a Pain in my Body,
I taste Blood,
Where is my Home,
Cruel Eyes,
a Hand is reaching for Me,
the rest is Imagination,
is it Raining Outside,
is there a Sun,
is there a Sky,
is the Compassion,
dazzling lights,
needles - injections,
almond eyes - giving hope,
in the night,
almond eyes,
the rest is Imagination,
where have I been,
a pain in my body,
I taste blood,
where is my home,
cruel eyes,
a hand is reaching for me,
the rest is imagination.
