

Bus Talk (Interlude)

Paolo Nutini

Let me down easy
Though your love for me is gone
Let me down easy
Since you feel that staying is wrong??We are broken by others
But we mend ourselves
We take comfort in strangers
But I don't think it helps
If every fool were a clown
I would be a king and not a clown
Cause love can't???
Closer than our hands and our feet
But it's lost on me
Ohhhhh ohhhh
It's lost on me
Your love for me is wrong
Let me down easy
since you feel that staying is wrong???
There was no sweeter fruit than this
With no taste of bitterness
It was so fresh and sweet before
But I can't taste it anymoreI was like a man with no candy?
I had everything
But as long as????Your love for me is wrong
Let me down easy
Your love for me is gone
Let me down easy
Since you feel that staying is wrong?
On a better day
we'd be waiting on our corner
Selling dreams of redemption
But this time you've gone your way
So I'll go mine
Out of sight, out of love, out of timeYour love for me is wrong
Let me down easy
Your love for me is gone
Let me down easy
Since you feel that staying is wrong?Let me down easy
