

Sweet Potato Pie (ft. James Taylor)

Ray Charles

Oh Lord I feel fine today,
I'm walking on cloud nine today.
I'm over that line today,
Happiness is finally mine today.
I guess I'm just a lucky guy
And I'm prepared to tell you why.
It's strictly on account
Of my sweet potato pie. I'm the fellow that she loves the most,
The main reason why she left the coast.
She's my little girlzina,
That much hotter than a jalapeno.
Tender like a night in June,
Sweeter than a honeymoon,
Brighter than a silver spoon,
Just as crazy as a loon. Softer than a lullaby,
Deeper than the midnight sky,
Soulful as a baby's cry,
My sweet potato pie. I used to see her around the neighborhood,
I wonder how she grew up so good.
She belonged to Freddy and he was bad
And I never was ready to make him mad.
I'm glad I had to wait awhile,
A little bit too juvenile.
I needed to refine my style, a silk suit
And a crocodile smile.
