Love, love, love

Avalanche City

Girl, I say, if only life would lean our way,
Well, you and me, we'd run away to be wherever our adventure awaits,
And time would be a distant memory, nobody could tell us to stay,
Well, I've been dreaming ever since I've seen your heaven when you came my way.

I heard your heart say love, love, love
I heard your heart say love, love, love
I heard your heart say love, love, love
I heard your heart say love, love, love

Oh, it's seems awfully far for us to find it all,
Oh, all this years will wash away and we'll be claimed but we'll have nothing more,
Well I can't say there'll come another day where money and time will fall,
And on our hands, our wrinkles understand we never really wanted more.

I heard your heart say love, love, love
I heard your heart say love, love, love
I heard your heart say love, love, love
I heard your heart say love, love, love

And all the life about to go is in my mind,
'Cause all the loudest voices in the world whenever I

I heard your heart say love, love, love
I heard your heart say love, love, love
I heard your heart say love, love, love
I heard your heart say love, love, love

Wo-oh-oah, love, love, love
Wo-oh-oah, love, love, love
Wo-oh-oah, love, love, love
