

I Don't Want to Go

Avalon

You changed my world
When You came to me
You drove a passion
In my soul down deep
Lord, to follow You in everything I don't want to go somewhere
If I know that You're not there
'Cause I know that me without You is a lie And I don't want to walk that road
Be a million miles from home
'Cause my heart needs to be where You are
So I don't want to go So come whatever, I'll stick with You
I'll walk, You'll lead me
Call me crazy or a fool
For forever I promise You that I don't want to go somewhere
If I know that You're not there
'Cause I know that me without You is a lie And I don't want to walk that road
Be a million miles from home
'Cause my heart needs to be where You are
So I don't want to go Without Your touch, without Your love
Filling me like an ocean
For Your grace is enough, enough for me
To never want to go somewhere
If I know that You're not there I don't want to go somewhere
If I know that You're not there
'Cause I know that me without You is a lie And I don't want to walk that road
Be a million miles from home
'Cause my heart needs to be where You are
So I don't want to go
