

Dear Boy

[Paul McCartney](#)

I guess you never knew, dear boy, what you had found
I guess you never knew, dear boy, that she was just the cutest thing around
I guess you never knew what you had found, dear boy I guess you never saw, dear boy that love was there
And maybe when you look too hard, dear boy, you never do become aware
I guess you never did become aware, dear boy When I stepped in, my heart was down and out
But her love came through and brought me 'round
Got me up and about When I stepped in, my heart was down and out
But her love came through and brought me 'round
Got me up and about I hope you never know, dear boy, how much you missed
And even when you fall in love, dear boy
It won't be half as good as this I hope you never know how much you missed
Dear boy, how much you missed, dear boy
