

Feathers

The Twilight Singers

Wherever you're going
I know you knew
That nobody cuts me
Quite like you do And I'm gonna crawl
Not that it matters
Nobody bleeds the way I do Wherever you've gone
I can follow
The path of destruction
You leave like crumbs And I'm gonna crawl
I'm gonna scratch and claw
Though I am broken, I still breathe Whoever said, no wind
No rain, no conversation
Will bring you back alive I got it bad
And I won't sleep
Until I breathe the sweet
Perfume you love You're gonna crawl
My precious, I'm untethered
Waving in the wind like feathers Feel you near me
Disappearing
If you take
You better kill me Break me, steal me
If you don't kill me
I'm gonna crawl, 'til you crawl Crawl like them all
My precious, I'm untethered
Waving in the wind like feathers Crawl, my love, crawl
