

# Adoration

## Paul Ben-Haim

I'm here with the others  
Who saw the Heavens testify  
Now I hang back in the shadows  
I wanna come close, I wanna know  
She sees me shiverin' here  
She smiles and with a nod  
I walk through the mud and straw  
To the newborn son of God  
Come, let us adore Him  
He has come down to this barren land  
Where we live  
And all I have to give Him is adoration  
He raises a wrinkled hand  
With the dust and the flies  
Wrapped in rags like we are  
And with barely open eyes  
He takes my finger  
And He won't let go and He won't let go  
It's nothin' like I knew before  
And it's all I need to know  
Come, let us adore Him  
He has come down to this barren land  
Where we live  
And all I have to give Him is adoration  
Come, let us adore Him  
He has come down to the world we live in  
And all I have to give Him is adoration

God is with us here  
Our Emmanuel  
God is with us here  
Our Emmanuel  
Oh come let us adore Him  
Oh come let us adore Him  
Jesus, our Emmanuel  
Is with us here and He won't let go  
Oh come let us adore Him  
Oh come let us adore Him  
He has come down to the world we live in

And all I have to give Him is adoration  
Oh come let us adore Him  
Come let us adore Him  
He has come down to the world we live in  
And all I have to give Him is adoration  
Oh come let us adore Him  
Come let us adore Him  
He has come down to the world we live in  
And all I have to give Him is adoration  
Come let us adore Him  
Come let us adore Him  
Come let us adore Him
