Hide

Red

Waste away, I'm crawling blind
Hollowed by what I left inside
For you, just you, I'm caught in place
But I ignore what I can't erase
I will run and hide till memories fade away
And I will leave behind a love so strong
Close my eyes theses voices say
Haunting me, I can't escape
For you, just you, time will always wait
While I throw away what I can't replace
I will run and hide till memories fade away
And I will leave behind a love so strong
And I will leave behind a love so strong
I will run and hide, and I will leave behind
I will run and hide till memories fade away
And I will leave behind a love so strong
