

# My Whole World Is Falling Down

William Bell

My whole world is falling down, falling down, falling down  
My whole world is falling down, I'm losing my baby Told me that your love for me was true  
Said you'd love me your whole life through  
But now you're asking me to set you free  
You've found some body you love more than me My whole world is falling down, falling down, falling down  
My whole world is falling down, I'm losing my baby I miss your loving that was so fine  
I need it, I need it all of the time  
For I still love you in the same old way  
Yet I'm losing you a little every day My whole world is falling down, falling down, falling down  
My whole world is falling down, I'm losing my baby My whole world is falling down, falling down, falling  
down  
My whole world is falling down, I'm losing my baby
