

Death Squad

Flattbush

Goons with guns and machetes and Gods
The order is to kill, kill, kill, and kill
Big corporations are fueling and funding, fueling and funding
The total war! Thrash the pigs!
Local puppets, lynch 'em!
Confiscate the stolen land, build the nation, give 'em! Hey brothers!
Hey sisters!
We are here to correct the line!
The so called the democracy!
Sham democracy! Wake the oppressed masses
Local puppets are shaking
Their flag is burning
The red flags are waving
The masses are fighting
The puppets are running
The country united
Down with U.S imperialism!
Thrash the old!
So called democracy!
