View from a Hill

The Chameleons

Raging waves sweep this heavy heart
Cold's the color of the dark
Find a byway and climb that hill
Watch the thunder cast a spell
What did you gain from love?
Don't ask me
All for the sweetest thrill
I see a view from a hill, oh oh
I see it perfectly clear
And I cry for the dreams that you kill, oh
View from a hill and it's only a moment away
Love's a rainfall, hard on the head
No escape though you're soaking wet
Leave me blinded by your light
Leave me stranded alone tonight
What did you gain from love?
Don't ask me
All for the cheapest thrill
I see a view from a hill, oh
I see it perfectly clear
And I cry for the dreams that you kill, oh
View from a hill and it's only a motion away
(A motion away)
Yeah, yeah, yeah
What did you gain from love?
Don't ask me
All for the sweetest thrill
I see a view from a hill, oh oh
I see it perfectly clear
And I cry for the dreams that you kill, oh
View from a hill and it's only a motion away
(A motion away)
I see a view from a hill, oh oh
I see it perfectly clear
And I cry for the dreams that you kill, oh
View from a hill and it's only a motion away
A motion away
