It's a Beautiful Thing

Clique Girlz

Am I losing my mind?
You're everywhere and I don't know why
Something I can't deny
On and on like a song in my head
And I can't do a thing about itWhen your heart can't stop like a runaway train
And it feels so good that you can't explain
It's a beautiful thingWhen you just can't think about anything else
And you give so much that you lose yourself
It's a beautiful thing, heyI keep hearing your name
It's in the sun and it's in the rain
I just heard it again
Don't know how it got into my head
But I don't wanna be without it
When your heart can't stop like a runaway train
And it feels so good that you can't explain
It's a beautiful thingWhen you just can't think about anything else
And you give so much that you lose yourself
It's a beautiful thingHope this feeling never goes awayHey, hey, beautiful, beautiful thing
Oh, oh, oh, oh, oh, oh, oh
HeyWhen you lose your way and don't have a clue
And you happen to find somebody like you, somebody like you
It's a beautiful thing, it's a beautiful thingWhen you're on the moon and you can't get down
Just me and you, no one else around
It's a beautiful thing, it's a beautiful
When your heart can't stop like a runaway train
And it feels so good that you can't explain
It's a beautiful thing, it's a beautiful thingWhen you just can't think about anything else
And you give so much that you lose yourself
It's a beautiful thing, it's a beautiful thing
It's a beautiful thingIt's a beautiful thing
It's a beautiful, it's a beautiful thing
It's a beautiful thing
