

# Fake Plastic Trees

## Radiohead

Her green plastic watering can for  
her fake Chinese rubber plant  
In the fake plastic earth What she bought from a rubber man  
In a town full of rubber bands  
to get rid of itself It wears her out, it wears her out  
It wears her out, it wears her out She lives with a broken man  
A cracked polystyreneman  
Who just crumbles and burns He used to do surgery  
For girls in the eighties  
But gravity always wins And it wears him out, it wears him out  
It wears him out, it wears him She Looks like the real thing  
She tastes like the real thing  
My fake plastic love But I can't help the feeling  
I could blow through the ceiling  
If I just turn and run And it wears me out, it wears me out  
It wears me out, it wears me out If i could be who you wanted  
If i could be who you wanted all the time, all the time
