

Taking Over Me

Evanescence

You don't remember me but I remember you
I lie awake and try so hard not to think of you But who can decide what they dream and dream I do I believe in
you
I'll give up everything just to find you
I have to be with you to live, to breathe
You're taking over me Have you forgotten all I know and all we had
You saw me mourning my love for you and touched my hand I knew you loved me then I believe in you
I'll give up everything just to find you
I have to be with you to live, to breathe
You're taking over me I look in the mirror and see your face
If I look deep enough
So many things inside that
Just like you are taking over I believe in you
I'll give up everything just to find you
I have to be with you to live, to breathe
You're taking over me I believe in you
(I believe in you)
I'll give up everything just to find you
I have to be with you to live, to breathe
You're taking over me
(Taking over me) You're taking over me
(Taking over me)
Taking over me
