

Satisfy (Simeon Festival Trap Edit)

Nero

I can feel it tonight
I know I'll catch your eye
Touching you feels so right, let me come inside
Just come with me tonight, take me for a ride
Touching you feels so right, let me, let me satisfy
Let me satisfy Let me, let me satisfy
Let me...I can feel it tonight
I know I'll catch your eye
Touching you feels so right, let me come inside
Just come with me tonight, take me for a ride
Touching you feels so right
Let me, let me, let me, let me satisfy
Let me satisfy
Let me, let me satisfy
Let me, let me satisfy
