Tell Me

Toni Braxton

I've got it
Oh, I've got it
I've got it
There ain't no need to call your friends
And tell them you'll be out hangin' at the club tonight
Baby, can't you see that I've been working out, my body's tight
I can make you feel, happy and so nice just tell me what you desire
Want me to swing from a pole? I've got you
If you want me baby to make you warm, I've got you
If you wanna see my thongs up high, I can do it right
If you want a little private dance, I've got you
If you want it baby with romance, I've got you
If you want a little menage a trois, baby, that's too far
Tell me what you want, tell me what you need
Satisfaction is guaranteed
Tell me what you want, tell me what you need
Satisfaction is guaranteed
There ain't no need to stay out late, there ain't no need to lie
'Cause I'm waiting home for you baby, just tell me what you need
I've got lingerie and toys and things to set the mood tonight
Your wish is my command, sugar just tell me what's your fantasy
Want me to swing from a pole? I've got you
If you want me baby to make you warm, I've got you
If you wanna see my thongs up high, I can do it right
Ooh, if you want a little private dance
If you want it baby with romance, I've got you
If you want a little menage a trois, baby, that's too far
Tell me what you want, tell me what you need
Satisfaction is guaranteed
Tell me what you want, tell me what you need
Satisfaction is guaranteed
I've got it
Oh, I've got it
I've got it
All that you want babe, I've got it, yes indeed
Just come home to me baby can't you see
All that you want babe, I've got it
Please believe, just put your trust in me baby, can't you see
Tell me what you want, tell me what you need

Satisfaction is guaranteed
Tell me what you want, tell me what you need
Satisfaction is guaranteed
Tell me what you want, tell me what you need
Satisfaction is guaranteed
Tell me what you want, tell me what you need
Satisfaction baby is guaranteed
You want, you need
