

Amelia

Mission (UK)

Daddy says, "Come and sit on my knee"
Daddy says, "You're the only girl for me
'Cos Amelia, you're daddy's favourite girl
Amelia, daddy loves his little girl"Daddy comes in the dark of night
Daddy say, "Don't be scared, it'll be alright
Amelia, daddy hates to see you cry
Amelia, you're the apple of daddy's eye"Daddy says, "Dry your tears and give me a smile"
Daddy says, "If you're good I'll hold you awhile
'Cos Amelia, you're daddy's precious girl
Amelia, daddy loves to love his little girl"Daddy, tell me daddy, is this really love?Daddy says, "Don't tell
mama what I do to you"
Daddy says, "If you do I'll beat you black and blue
Amelia, you make daddy feel like a man
Amelia, daddy loves you more than mummy can"Daddy, tell me, daddy, how can you call this love?
Amelia, damn your daddy to hell
