

When the Dawn Breaks (Dogzilla Full Vocal Mix)

Narcotic Thrust

Moonlight's kissing on a violet shore
Dreaming in the color of the dress you wore
I wake up harmed and wanting more about you
(About you)I don't wanna feel love
I dont wanna feel naked
I dont wanna feel love
Without youWhen the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the waves of your heart rushingRushing over me
Rushing over me
Rushing over me
Rushing over meWhen the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the waves of your heart rushingWhen the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the crash of your heart breakingThe figures stop moving and the subway dies
The clock stops ticking and the traffic sighs
I cant keep living these strange goodbyes
I need you
(I need you)I dont wanna feel love
I dont wanna feel naked
I dont wanna feel love
Without youWhen the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the crash of your heart breakingWhen the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the waves of your heart rushingRushing over me
Rushing over me
Rushing over me
Rushing over meWhen the dawn breaks
When the dawn breaksWhen the dawn breaks
I can feel the heat of your sun rising
Rising up inside me
I can feel the crash of your heart breakingWhen the dawn breaks

I can feel the heat of your sun rising
Rising up inside me
I can feel the waves of your heart rushingRushing over me
Rushing over me
Rushing over me
Rushing over meRushing over me
Rushing over me
Rushing over me
