All I Want Is You

U2

You say you want
Diamonds on a ring of gold
You say you want
Your story to remain untoldBut all the promises we make
From the cradle to the grave
When all I want is youYou say you'll give me
A highway with no one on it
Treasure just to look upon it
All the riches in the nightYou say you'll give me
Eyes in a moon of blindness
A river in a time of dryness
A harbor in the tempestBut all the promises we make
From the cradle to the grave
When all I want is youYou say you want
Your love to work out right
To last with me through the nightYou say you want
Diamonds on a ring of gold
Your story to remain untold
Your love not to grow coldAll the promises we break
From the cradle to the grave
When all I want is youYou all I want is
You all I want is
You all I want is
You
