

You're a Big Girl Now

Bob Dylan

Our conversation was short and sweet
It nearly swept me off my feet
And I'm back in the rain, oh
And you are on dry land
You made it there somehow
You're a big girl now Bird on the horizon, sittin' on a fence
He's singin' his song for me at his own expense
And I'm just like that bird, oh
Singin' just for you
I hope that you can hear
Hear me singin' through these tears Time is a jet plane, it moves too fast
Oh, but what a shame if all we've shared can't last
I can change, I swear, oh
See what you can do
I can make it through
You can make it too Love is so simple, to quote a phrase
You've known it all the time, I'm learnin' it these days
Oh, I know where I can find you, oh
In somebody's room.
It's a price I have to pay
You're a big girl all the way A change in the weather is known to be extreme
But what's the sense of changing horses in midstream?
I'm going out of my mind, oh
With a pain that stops and starts
Like a corkscrew to my heart
Ever since we've been apart
