

Lord, Lord, Lord

[Johnny Cash](#)

LORD, LORD, LORD()Lord Lord Lord, is there a place for me
In the scheme of things, in the service of the King
Lord Lord Lord, there is no job too great
As I grow in faith, theres no job too greatLord Lord Lord, there is no road too long
Cause you made me strong, theres no road too long
Lord Lord Lord, theres no stream too wide
With you by my side, theres no stream too wideLet me help someone thru the darkest hour
Let me shine shine shine, like the beacons tower
Let my light be strong and myself be small
Let me know the truth that Im one with allLord Lord Lord, theres no job too small
Cause Im one with all, theres no job too smallLord Lord Lord, is there a place for me
In the scheme of things, in the service of the King
Lord Lord Lord, there is no job too great
As I grow in faith, theres no job too greatLord Lord Lord Lord oh Lord Lord Lord
Lord oh Lord, Lord Lord Lord, oh Lord Lord Lord
Lord Lord Lord -Humming-
