

Girls Love to Go Dancin'

Trailer Choir

She's got her hair pulled back into pigtails
Servin' up lunches and mixin' up cocktails
For business men in business suits
All week long she's droppin' off dishes
Picking up bills and cleanin' up ketchup
Just to make a couple bucks When the weekend rolls around
She gets to lettin' her hair down
All dressed up on a Friday night Shake it, shake it, shakin' it with girlfriends
Every song 'til the night ends, with a cold beer held up high
In a honky tonk with country music jammin'
Girls love to go dancin' Her best friend is a beauty beautician
Colorin' roots and puttin' in extensions
And buffin' out bad cuticles
'Round and around and around in the mirror
All week long with scissors and a chair
Makin' people look beautiful When the weekend rolls around
She gets to lettin' her hair down
All dressed up on a Friday night Shake it, shake it, shaking it with girlfriends
Every song 'til the night ends, with a cold beer held up high
In a honky tonk with country music jammin'
Girls love to go dancin', girls love to go dancin' After all the work is done
And it's time to have some fun
There's only one thing on her mind When the weekend rolls around
She gets to lettin' her hair down
All dressed up on a Friday night Shake it, shake it, shakin' it with girlfriends
Every song 'til the night ends, with a cold beer held up high
In a honky tonk with country music jammin'
Oh, when there ain't no use to wonderin' if you're askin'
Girls love to go dancin', girls love to go dancin' Sha na na na na na, na na na na na, yeah, yeah
Sha na na na na na, na na na na na, yeah, yeah
Sha na na na na na, na na na na na, yeah, yeah
Sha na na na na na, na na na na na, yeah, yeah, yeah, yeah
